

0.6 FTE Physiotherapist Part time Permanent Position

Motivated individual with excellent interpersonal skills and 2+ years' neuro-rehabilitation experience required to work as part of a dynamic multi-disciplinary team at a unique community-based rehabilitation program for adults with moderate to severe acquired brain injury and stroke.

Responsible for:

- Conducting client-centred, functional assessments,
- Providing goal oriented treatment to clients with stroke and brain injury, both in person and virtually,
- Developing programs for support staff, caregivers, volunteers and/or students to implement with clients,
- Working collaboratively, to train support staff, caregivers, volunteers and/or students, in safe and effective implementation of client programs,
- Documenting assessments, program goals, treatment, and outcomes.

Qualifications:

- Physiotherapy Alberta College license in good standing
- Master's in Physiotherapy
- Experience working with clients with neurological conditions
 - ❖ Positive, supportive work environment
 - ❖ Research/pilot project opportunities
 - ❖ Professional Development opportunities
 - ❖ Flexibility

Application Deadline: November 4, 2020
